

YOSHINOBU FUKUHARA

Email: yoshinobu.f@example.com Phone: +1 (555) 019-2834 Location: San Francisco, CA LinkedIn: linkedin.com/in/yoshinobu-f

Dedicated and analytical Cybersecurity Professional with a strong foundation in threat detection, incident response, and network security. Experienced in monitoring security information and event management (SIEM) systems, analyzing packet captures, and triaging security alerts in high-pressure environments. Committed to defending corporate infrastructure against evolving cyber threats.

TECHNICAL SKILLS

SIEM & Tools: Splunk, QRadar, Wireshark, TCPDump, Zeek, Nmap
Security Frameworks: MITRE ATT&CK, NIST SP 800-61, OWASP Top 10
Operating Systems: Linux (Ubuntu, CentOS), Windows Server, macOS
Languages & Scripting: Python, Bash, Regular Expressions (Regex), SQL

PROFESSIONAL EXPERIENCE

SOC Analyst (Tier 1)

June 2024 – Present

Apex Cyber Defense Solutions — San Francisco, CA

- Monitor real-time security alerts across enterprise infrastructure utilizing Splunk SIEM, triaging over 50+ alerts daily.
- Investigate suspicious activities, network anomalies, and potential phishing campaigns, escalating verified threats to Tier 2 handling.
- Analyze malicious email headers and attachments inside secure sandbox environments to identify Indicators of Compromise (IoCs).
- Collaborated on updating the team's incident response playbooks for ransomware and brute-force detection patterns.

IT Support & Security Specialist

March 2022 – May 2024

Vertex Technology Group — San Jose, CA

- Managed user access controls, multi-factor authentication (MFA) rollouts, and endpoint security software deployment for 300+ endpoints.
- Conducted routine vulnerability scans utilizing Nessus and assisted infrastructure teams in patching critical vulnerabilities.
- Reviewed system event logs and firewall configurations to identify policy violations and unauthorized access attempts.

EDUCATION & CERTIFICATIONS

B.S. in Computer Science — Cybersecurity Focus

Graduated: Dec 2021

California State University — East Bay

Certifications

- CompTIA Security+
- CompTIA Cybersecurity Analyst (CySA+)
- Splunk Core Certified Power User
